Here are some key points to present when teaching a formal writing style to your students: Stay away from contractions. Always writing the whole word is the best policy. Never use slang in your formal writing. Learn, recognize and expand on your formal phrases. For example, using phrases such as ...

7 Powerful Writing Skills That Will Give Your ESL Students ...

A note on terminology: The acronym ESL is used less often now in schools than it used to be, because we recognize that many students who are learning English already speak several other languages, so English would not be a "second" language. I use it several times in the post because schools sometimes refer to the teachers as ESL teachers, and the term is still widely used as a search term ...
