"That's How We Do Things Here:" Organizational Culture in Libraries Jennifer A Bartlett My mother, a fifth grade teacher for 30 years and now retired, has always said that she can figure out within five minutes of walking into a school if the people who work there are satisfied or dissatisfied with their jobs

DO THE WORK

that's not true? We can't do life alone This shit is important Perhaps it's time for you to get invested in the idea that only you can make a relationship go the way you want it to and that that begins and ends with you being who you need to be Maybe you could even dampen your ego and make that phone call you've been avoiding 34

What Every Christian Should Know About Temptation

our commitment to God Unfortunately we have a way of ignoring the examples God gives us from other peoples' lives We say, "That was them; that's not me" And we especially do this when the example is given from the past We say, "That as then; this is now" God the Holy Spirit knows that we have a tendency to write off the

Principles for Decision Making: Living According to God's Will

Principles for Decision Making: Living According to God's Will And that's good Because in the case of knowing God's will, it is a very important forest indeed For God is not concerned simply with what we do; He cares equally about why we do what we do,

When someone you love stops eating and drinking

When someone you love stops eating and drinking By Carol Bayley, PhD VP Ethics and Justice Education Dignity Health Sometimes toward the end of a very serious illness, or when a person has become very old and frail, that person's decline in health may include the inability or the unwillingness to eat food or drink fluids This lack of

"That's Not Fair!"

Mama, Daddy and "That's not fair" After working with family business owners for more than 15 years, I can understand why One of my client families consisted of four siblings and their mother who each owned 20% of a large logistics company in the UK In their last shareholder's meeting, an argument erupted about whether Anne, the third

Episode 1: In Sickness & in Wealth - UNNATURAL CAUSES

policies? Why or why not? Whitehall study director Sir Michael Marmot says, "If inequalities in health were a fixed property of society, then you'd say, 'We can't do anything about it' But that's not the case The magnitude of inequalities in health changes over time It can get rapidly worse,

how that had been handled in the past Don Johnson stated that we have such signs up along Beaver Dam Road near the schools at their request We hadn't yet along Mount Pleasant because nobody had requested it and the school is set so far back from the road That's not to say we couldn't do that, but usually the Amish request it

Lesson 6: That's not fair! Psalm 37 - Isaiah 61:3

Lesson 6: That's not fair! Psalm 37 Background But that's not fair! is the first thing children learn to say when they began to realize that good is not always rewarded and bad is not always punished We may not verbalize it like children do, but as adults, we echo the same cry in our hearts when we see people who do dishonest and spiteful

PREVENTING AND AVOIDING LOOPHOLES AND ...

We will try to prevent or avoid the other types of unintended consequences even if not asked to do so, but it is not our place as nonpartisan attorneys to try to anticipate the political consequences of legislation and try to minimize it, unless we are asked to do so for a specific provision of the bill]
