A nation is a group of people who share the same culture, language, institutions, religion, and history—usually a group of people larger than a tribe or community. When a nation of people has an independent State of their own it is often called a nation-state.

State, Country, and

Read Free A People And A Nation A History **Nation - InfoPlease**

A nation is a group of people who see themselves as a cohesive and coherent unit based on shared cultural or historical criteria. Nations are socially constructed units, not given by nature. Nations are socially constructed units, not given by nature.
