To the south, in Mafra, a small colony of bats swoops among incunabula (books printed prior to 1501) at the 18th-century Library at the National Palace of Mafra before flitting out into the near-seaside air. The Enlightenment-era library pays tribute to them inside with a small exhibition: In a glass case rest the taxidermized remains of three different bats.

Yes!—Bat Night at the library! Join the free-for-all fun at the public library with these book-loving bats! Shape shadows on walls, frolic in the water fountain, and roam the book-filled halls until it’s time for everyone, young and old, to settle down into the enchantment of story time.

**Bats at the Library by Brian Lies, Paperback | Barnes & Noble®**  
Bats at the Library is a story told in rhyme by a bat . The bats are bored until one of them hears that a window was left open at the library. The bats are very excited and do lots of fun things in the library like making shadows on the wall using an overhead projector, copying themselves on the copying machine, and of course the highlight of the night, storytime.

They all loved the idea of bats believing a visit to the library as an special adventure. When we arrived at the library, the students found themselves looking for opportunities for their own adventures and tied theirs in with those in the book. (I clued in the librarian who hosted us before this activity.)
