### **Bernard Tschumi Parc De La**

Bernard Tschumi designed the Parc de la Villette with the intention of creating a space that exists in a vacuum, something without historical precedent. The park strives to strip down the signage and conventional representations that have infiltrated architectural design and allow for the existence of a "non-place."

### **Parc de la Villette - Wikipedia**

Parc de la Villette Paris, 1982-1998. An award-winning project noted for its architecture and new strategy of urban organization, La Villette has become known as an unprecedented type of park, one based on "culture" rather than "nature." The park is located on what was one of the last remaining large sites in Paris, a 125-acre expanse ...
