[MOBI] Classic Game Design From Pong

Pong is a table tennis-themed arcade video game featuring simple two-dimensional graphics, manufactured by Atari and originally released in 1972. It was one of the earliest arcade video games and created by Allan Alcorn as a training exercise assigned to him by Atari co-founder Nolan Bushnell. Bushnell based the game's concept on an electronic ping-pong game included in the Magnavox Odyssey ...

Pong - Wikipedia

About Pong. Pong is one of the first computer games that ever created, this simple "tennis like" game features two paddles and a ball, the goal is to defeat your opponent by being the first one to gain 10 points, a player gets a point once the opponent misses a ball.
