### Macmillan Readers: The Prince and The Pauper Pack

This is a list of children's classic books published no later than 1990 and still available in the English language,. Books specifically for children existed by the 17th century. Before that, books were written mainly for adults – although some later became popular with children.

### List of children's classic books - Wikipedia

The Prince starts by describing the subject matter it will handle. In the first sentence, Machiavelli uses the word " state " (Italian stato which could also mean " status ") in order to cover, in neutral terms, "all forms of organization of supreme political power, whether republican or princely."
