US Laws, Codes & Statutes :: Justia

The Constitution of Virginia defines and limits the powers of state government and the basic rights of the citizens of the Commonwealth of Virginia. Like all other state constitutions, it is supreme over Virginia's laws and acts of government, though it may be superseded by the United States Constitution and U.S. federal law.

Virginia Law

The Hammurabian Code is divided into 12 sections and consists of 282 laws, 34 of which are unreadable. The Code is primarily a case-by-case formula of customary law covering administrative, civil, and criminal issues. The complexity of the laws and their subject matter reveal much about ancient Babylonian culture.
