Cross-linguistic errors .
Language Transfer is
the current term for
cross-linguistic
influence, i.e. the
influence of the mother
tongue (L1) on the
production of the
target language (L2).
So, for example, the L1
German learner of L2
English who says .

The goal of this paper is to investigate whether native language (L1) metaphorical fluency and competence (Danesi 1992; 2016) have a detectable influence on the processing of idiomatic expressions in a foreign language (L2). The initial hypothesis is that conceptual transfer is manifest at all levels of L2 figurative language
