In this tutorial you used the same fabric on both sides, and in the description it says to use two different fabrics so you no the front from the back. I will definitely be making these with 2 different fabrics, and I thank you for this tutorial and all the other you have put out in the past years.

Fabric Face Mask with TIES - MADE EVERYDAY

I've been making some more of these, but have done them slightly differently. Instead of drawing round the templates onto the fabric (which I found difficult with some fabrics, despite having every colour and type of fabric marker imaginable!!), I traced them onto greaseproof paper, then pinned that on top of the 'sandwich'.
