Just got back from a book party for Doug Bandow's new book, "Foreign Follies: America's New Global Empire.". The book's synopsis is as follows: The U.S. once was a traditional republic, remaining aloof from foreign conflicts. Today there is no problem on earth with which Washington is not concerned. The result is an oversize military, perpetual intervention, and constant conflict.

In Foreign Follies: America's New Global Empire (Xulon Press, 2006), Doug Bandow has collected essays spanning more than a decade to demonstrate that U.S. foreign policy run amok predates the current White House, though the Bush administration has made things worse. (There is, of course, the now obligatory chapter on Bush's disastrous Iraq policy - the mother of all unnecessary military interventions.)
