The Leader in Me is not a one shot program it is a process that provides a common language for staff and students at all grade levels, expects teachers to create and teach daily lessons informed by the habits, and is supported through displays on the school walls and conversations in the classrooms.

## **The Leader in Me**

The Leader in Me is like an operating system on a computer or smartphone. It is an underlying philosophy that impacts many aspects of a school. Staff members and students are free to utilize their talents and imaginations to design all kinds of curriculums, programs, activities, assemblies, and events to maximize the process, so long as they are suited with its principles and common language.
