INTRODUCTION

Postcolonialism and the Law provides a long overdue delineation of the field of enquiry that engages with the legal programmes, structures, and procedures which have sustained Euro-North American supremacy on the international political stage for the past fifty years or so.

Postcolonialism: a Brief Introduction - Eve Darian-Smith, 1996

Postcolonial theory is a body of thought primarily concerned with accounting for the political, aesthetic, economic, historical, and social impact of European colonial rule around the world in the 18th through the 20th century. Postcolonial theory takes many different shapes and
