It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

New Museum Theory And Practice

New Museum Theory and Practice is an original collection of essays with a unique focus: the contested politics and ideologies of museum exhibition. This lively introduction, comprised of essays authored by curators, archivists, scholars, teachers, and conservators from around the world and from all levels of museum studies, examines the incendiary issues currently raging in the field.
