Imagination becomes a valuable tool here. Use garden hoses or string to mark off paths, borders, flowerbeds, vegetable gardens, lawn and where any other features will be. Fill a trash bag to simulate shrubs; place it on the end of a big stick or pole to make pretend trees. Then walk the marked paths, move around the yard and test out the new look.

Planning is a noble but underappreciated profession. Planners help communities create their preferred future - good planning makes progress toward paradise while bad planning leaves a legacy of problems and disputes. Planners perform civilization's heavy lifting by anticipating and resolving community conflicts.
