risk management and financing are subject to the same constraints, a trade-off arises. Froot and Stein (1998) reach the same conclusion in a model of risk management for financial institutions. Holmström and Tirole (2000), in contrast, argue that credit-constrained entrepreneurs may

## Risk Management in Financial

# Access Free Risk Management And Financial Institutions

Some institutions manage risks, while others contract to avoid them. We contrast these two methods in two different institutions — a passive institution, namely, a real estate mortgage investment conduit (REMIC), and one of the most actively managed financial firms, a commercial bank.
