Rock Coroner

Coroner is a Swiss thrash metal band from Zürich, Switzerland. They garnered relatively little attention outside of Europe. Formed in 1983, the band broke up in 1996, but reformed 14 years later. The band has performed at multiple live venues and festivals around the world since 2011, and plans to release a new album in 2021.

Coroner (band) - Wikipedia

An American woman descending a 120m rock face would likely not have fatally fallen if she had used her own equipment and not relied on a rope that was already attached to the rock. Lauren 'Kimi' Worrell's partner, Richard Graham, could only watch in horror as he saw her begin her climb then fall over the edge and out of view while climbing ...
