### Women Art And Society World

Since Women, Art, and Society was first published in 1990, globalization, rapidly shifting demographic and geographic realities, and an explosion of new technologies have transformed the ways we think about the world, and prompted yet more critical consideration of how gender, sexual difference, race, and culture intersect. In an additional chapter for this expanded edition, Chadwick reflects on the new globalism in the visual arts and brings the discussion up to date by focusing on the many ...

### Women, Art, and Society (World of Art): Chadwick, Whitney ...

As both a woman and art history student, I appreciated that this book provided excellent resource and insight on women artists and the social culture surrounding them and their works. Usually art history texts focus on male artists with a small spattering of women tossed in, so this book was really refreshing.
